 Assistant Director/Current Intelligence
 Assistant Director/Collection & Dissemination
 Assistant Director/Operations
 Deputy Director (Administration)
 Chief, HQM/OIS

SUBJECT: Mechanical Translation

1. The attached letter from the Director of the Institute of Languages and Linguistics, School of Foreign Service, Georgetown University, is an invitation to members of this Agency to attend a special conference and demonstration of a "translating machine" in New York City on 7 January 1954.

2. Although persons attending the demonstration will be arranging for their own transportation, it is requested that their names be reported to this Office for transmittal to Dr. Postert so that they may be properly identified for admission to the demonstration. Please let us have the name of the representative of your office, if any, by Wednesday, 23 December 1953.
